

## PERSONAL DATA

### New recommendations from the National Authority for the Protection of Personal Data

Algiers, 26 June 2023

#### CLIENT ALERT

On **11 August 2023**, companies will have to comply with Law No.18-07 of 10 June 2018 on the protection of individuals in the processing of personal data ("**Law 18-07**").

Here is the latest information published on the official website of the National Authority for the Protection of Personal Data ("**ANPDP**"):

- **1. Registration on the ANPDP portal:** In anticipation of the implementation of Law 18-07, organisations that process personal data are invited to create a personal space on the official website: <https://espace-rt.anpdp.dz/>
- **2. Declaration of a data controller:** Every organisation that processes personal data must designate its data controller. The declaration form is available online once the registration on the site is complete.
- **3. Registration of processing operations:** Each organisation must declare the processing operations it carries out as part of the setting up of the National Register for the Protection of Personal Data. The data processing registration form is available online once the registration on the site is complete.

For more details, please refer to **guide published by the ANPDP** on its official website: [https://espace-rt.anpdp.dz/guide\\_recensement.pdf](https://espace-rt.anpdp.dz/guide_recensement.pdf)
