2025

Legal 500 EMEA 2025

Led by Rym Loucif, **Loucif + Co** is a one-stop shop for energy-related matters in Algeria.

The firm provides legal advice to international investors across various stages of their projects, from structuring and execution, to investment monitoring.

With extensive expertise in oil and gas, the firm advises on both transactional and regulatory matters, including the negotiation and review of oil and gas contracts, M&A transactions, and due diligence for asset acquisitions.

Loucif herself is *'well versed in bridging between international clients and the local Algerian legal scene'* and is often supported by Hind Ennafa.
